

# WIRELESS INTERNET ACCESS POLICY

The Scarsdale Public Library offers free wireless Internet access to library users with wireless-enabled devices. The Library provides unrestricted access to the Internet and does not monitor or control content. The provisions set forth in the Library's Internet Use Policy and Acceptable Use Guidelines are applicable to wireless network (Wi-Fi) access.

The Library makes no guarantees as to compatibility of a library user's device with the Library's network. Library staff does not provide wireless access support and will not install or modify hardware or software.

Communication through the wireless network should not be considered secure. Library users are responsible for selecting and installing security protection and current virus definitions on their Wi-Fi devices. The Library is not liable for damage to hardware or software, transmission of computer viruses, loss of data or e-mail, or any harm resulting from the use of an unsecured server. It is strongly advised that personal, financial or otherwise sensitive information not be transmitted through the wireless network.
